<https://www.g20hamburg.org/en> | <http://g20-protest.info/>

Dear friends

This is the last update for our international comrades, friends, activists who will join the no g20 protest week in Hamburg with the most relevant telephone numbers, addresses, contact points you might need when you come to Hamburg. These contacts/numbers are especially important since many things might change in the course of the week – depending on court rulings (e.g. the camps and registered demonstrations) as well as on our actual mobilizations and the potential and empowerment of the many, the lively and heterogeneous.

However, the **general info-numbers** will stay in place and will help you to orient yourself and get the current information then you need.

Plus, for the general activities in the course of the week please consult our last international no-g20 **newsletter** from two weeks ago (<http://g20-protest.info/category/general-information/newsletter-june-2017/>).

And for all international activists we offer an **information and get together meeting, Thursday, July 6 from 11.30 am to 1 pm at the main site of the solidarity summit at Kampnagel** in the location of the Alabama Kinosaal (Jarrestraße 20; Hamburg, Hamburg 22303 Germany, see also <https://www.google.com/maps/place/Jarrestra%C3%9Fe+20,+22303+Hamburg,+Germany/@53.58406,10.0205813,17z/data=!3m1!4b1!4m5!3m4!1s0x47b1892e8ef5dd1d:0x2d30dd18578a70bc!8m2!3d53.58406!4d10.02277?hl=en>)
